BEST CADDY GETS DIAMOND MEDAL

Whitemarsh Valley Awards for Bag-Toters—Other Golf Clubs Have Systems, Too

By SANDY MENBLICK
Whitemarsh Valley Country Club will give a diamond medal to the caddy who conducts on the golf links the most meritorious during the season about to open.

Besides this a gold medal will be given for second choice and a silver medal for third place. Also a cup is to be presented for the winner of the caddy golf championship of the club at the end of the season.

These presentations will be made at a fitting ceremony at the end of the year.

Other local clubs are also preparing awards to the caddies at the end of the season, all of which is in line with the announcement of the United States Golf Association yesterday that it favored the elimination of tips to caddies and the establishment of awards, such as a cash bonus, at the end of the year.

The U. S. G. A. also suggested, in its letter to all its member clubs, that caddies be divided into three classes at the clubs—those of experience and worthy enough to be placed in Class A; not so experienced in Class B, and the rest in Class C.

Whitemarsh has two classes at present and implores the members to do all in their power to advance the efficiency of the Whitemarsh caddies.

Springhaven has published a list of seventeen "things our caddies should be taught," ending up with the announcement of the caddy Christmas dinner and show, which ought to impress the caddies at least.

Bartley J. Doyle is presenting the medals at Whitemarsh and F. H. Chapman the cup.

Merion has long been particularly interested in caddy efficiency and has always had an elaborate program of instruction, not only for the caddies in the links, but also toward good citizenship.

The same rule applies at many other local clubs, and it is safe to say that nearly every club in the local district is working hard on this problem of bettering the caddy system and the all-around efficiency and interest of its bag-toters.

Jeppie, of Oxford, to Enter Massachusetts Tech in Fall

Boston, May 7.—N. P. Jeppie, Oxford University, a member of the team of English athletes, who competed in the Penn relay games in Philadelphia last week, will become a student next year at the Massachusetts Institute of Technology.

Manager C. H. Talbot of the Tech track team was given definite assurance by Jeppie in Philadelphia last week that he would enter M. I. T. in the fall. Jeppie, who is a Rhodes scholar from Australia, has long had it in mind to study at Tech and his decision is not a result of his present trip to this country. He was called here from England after the other British runners had arrived, as it was then thought that an injury to Tatham would prevent the latter from competing in the two-mile relay. Jeppie competed in the hurdles last Friday. He will sail with the other Oxford Cambridge athletes on Saturday to complete his year's work at Oxford.

McCloskey and Rolfe in Draw

Willie McCloskey, of Port Richmond, and Bill Rolfe, of Philadelphia, were in the first round of the tournament at the District A. A. last night. It being the first round, the winner of the match will play the winner of the match between the two other teams in the first round.

More than 2000 fans witnessed the contest. Rolfe landed the harder punches, but McCloskey landed the harder punches. At the end of the fight, both men were still strong. Rolfe landed the harder punches, but McCloskey landed the harder punches. At the end of the fight, both men were still strong.

EPISCOPAL NINE SCORES VICTORY

Churchmen Upset Intercollegiate League Leaders When Williams Excels

Episcopal Academy, aided by one Williams, upset the Intercollegiate League champions, Germantown Academy, in a well-played contest at the Manheim field and pulled one of the surprises of the season. Germantown made no excuses and gave Episcopal and Williams credit for the 5 to 2 victory, though the fact that Mullen, the third baseman, was out of the game may have had something to do with the result.

Episcopal played in fine form and Williams was particularly clever. He held the Manheim players to two hits and fanned a lucky thirteen. The result will not prevent Germantown from capturing the championship, for that question was settled last week. It gave the Churchmen a good record and caused much joy among the Churchmen. Dismissed was on the mound for Germantown. He was not in his usual good form.

Germantown A. A. Results

The wind-up at the Germantown A. A. last night featured two rivaled pitchers. When Pugsley Lee had a win by the better of Charlie Bear in their eight-round fracas. The honors were even up to the fifth round, when Bear started to weaken Lee's leather barage. Both boys tried hard for a knockout, but although both landed clean time and again, neither could deliver in the semicircle. Marty Kane earned the verdict over Willie Allen by a slight margin. Kane won through his superior boxing and greater ring lore. Charlie Torrey and Johnny Dougherty a severe trouncing in six rounds. Tommy McLean outpointed White Kelly of Gray's Perry, in the second round of the opener.

La Salle's victory over Catholic High came as a surprise to the league fans.

The Catholic series has attracted considerable interest, and from the very start it appeared to be any one's pennant. Now that the Purple and Gold players were topped from their lofty position, the West Catholic High and St. Joseph's Prep teams are right in line for honors.

Catholic High and West Catholic are tied for first place. The St. Joseph's Preps have won two and lost two. This standing includes all games played to date. St. Joe has not yet been given credit for a win over the Villanova Preps' team because of a protest made

Erk Mayer Released by the Lebanon Club

Erk Mayer is out of a job again. Erskine, who pitched in the box for the Phillies for some time and who also drew pay from the Pittsburgh Pirates and the Chicago White Sox, seems to have skidded badly.

Early this season Mayer signed a contract to pitch for Lebanon, of the Bethlehem Steel League. He pitched the first game against the Sparrows Point nine and his shoots were biffed rather freely by the opposing batters.

Now he is through at Lebanon. Manager Potteiger has handed him his passports, and Erk must look elsewhere for a pitching berth.

when the Main Livers won the league game last week.

John J. Reynolds, secretary of the league, states that St. Joe and Villanova will have to replay this game because of the dispute, notwithstanding all rumors to the contrary. Catholic High has an Intercollegiate League game with Germantown High, leaders in the Intercollegiate League, this afternoon, and this contest will attract a large crowd of fans.

Ring Nine to Play Gobs

M. H. Ring and Co., professionals, will play the 11th S. S. Minnesota nine on Sunday. Managers Simpson and Townsend will have a few additions with Kirkpatrick, the former Rochester club backstop, Brown, former Canadian and Chicago American League pitcher, of Drexel Hill and Monahan of Jersey City.

BOBBY JONES WILL SEEK OPEN TITLE

Great Young Atlanta Golfer Decides to Play in National at Inverness

New York, May 7.—Bobby Jones, of Atlanta, the phenomenal golfing youngster, will compete this year in the national open championship for the first time in his short but sensational career. Announcement of this was received yesterday from S. P. Jernigan, of Toledo, in charge of the arrangements for the event at the Inverness Club.

The inevitable question now arises, Will Jones play a role similar to Francis Ouimet's in 1913? There is an interesting parallel. Seven years ago Harry Vardon and Ted Ray came over from England, tied for the title and lost the play-off to Ouimet, then a slim twenty-year-old lad. The same great pair of British professionals will make a return trip this summer and play at Toledo.

At Hamilton, Ont., last year Jones tied for second in the Canadian open along with Jim Barnes and Karl Keffer. Later in the year he was second to Barnes and only one stroke behind him for the southern open title. In all probability professionals will make a return trip this summer and play at Toledo.

Allentown Middleweight Uses Same System as Frenchman in Ring

Jackie Clark, of Allentown, is a pocket edition of Georges Carpentier. The up-state middleweight virtually uses the same style as the European heavyweight champion in the ring. Both box up on their toes, both are fast, shifty and clever. Each possesses a terrific wallop.

Several promoters throughout the country have attempted to match Carpentier with Mike O'Dowd, middleweight champion. O'Dowd is to box Clark at the Camden Sportsmen's Club last Tuesday night, ten rounds. Whether O'Dowd would have a chance
